

Fish activity suggestions

You could draw and cut out a fish shape and stick on tissue, or cut up cake cases or bits of foil for a shiny fish , or let them finger paint on scales !

Alternatively, if you have a paper plate you could do cut a pie shape from the plate and stick it on the opposite end ..immediate fish shape..then decorate.

Heart shape to colour in :

Sandwich making/ Baking

Just use bread, spread and favourite filling and let them have a go with a blunt knife. It is likely to messy but teaches great co-ordination skills and will still taste great, no matter what it looks like ! Alternatively you could try baking together, lots of easy recipes are available online.
