

AIISOFTS 2 JUNE CRAFT and activity ideas

The theme this week is prayer which is talking to God through Jesus.

To remind you about this you could: **Draw around your child's hands** , decorate these and cut them out, write on these " I can pray to God " or you could write a family member or friends name on each finger to remind you to pray for each person

Talking cups

Use 2 disposable paper cups , decorate them,. Make a hole on the bottom of each cup and join together with a long piece of string. Talk to each other !

S = Sorry, T= Thank you , O= others , P= Please.

We can use this word to help us when we pray . We can say sorry for , thank you for ..., pray for other people, say please about ...
