

Allsorts activity and craft ideas for Tuesday 12 May

Cleaning together!

Lots of children enjoy " helping" with household tasks such as dusting, wiping and sweeping.

Cardboard tube people and act out the story

Use any scraps such as gift wrap, tissue paper plus straws, wool and string to make a person.

Listening ears activity

Use a headband, cut out 2 large ears and stick on with tape to highlight that listening to Jesus was the best thing that Mary did. Alternatively create a circle to go around the head out of paper and stick on large ears.
