

## Allsorts Craft Ideas for 7 July.

**Children :** You could fold up a sheet of paper into 3 and cut out an outline of a person, making sure they are joined at the hands, then as you unfold them you will have 3 people joined together to colour in.

**Crown:** Make a crown and decorate, you could use a paper plate and cut as below and decorate or cut a band of cardboard and decorate with shiny items.

**Sock puppet :** Use an old sock, add wool for hair, draw on eyes, nose and mouth. You could add material for an outfit too.
