

Allsorts Craft ideas

The teaching this week is about Baby Moses being born and then how God provided a way to protect him. God had a special purpose for Moses which we learn about over the next 2 weeks.

Here are a couple of easy crafts you might like to try at home.

Cooking :

Make a chocolate rice crispy basket with a jelly baby for Moses!

- Either melt some butter, with cocoa powder and some golden syrup in the microwave (20 secs), or melt chocolate. Stir well
- add some rice crispies (or other cereal) , mix well
- put in cake case, add jelly baby. Eat !

Craft:

- Draw around your child's hands, cut out and colour/paint
- Draw Moses and stick on a blue background
- Stick the hands on top to look like reeds along the river bank
- Lift the fingers to reveal baby Moses !
