

Allsorts craft and activity ideas for A Captain's Faith from Matthew 8 v 5-13

Baking: You can find lots of gingerbread and biscuit recipes online, children love to mix the ingredients and to decorate the cooked shape. Plus eating them, of course!

Alternatively you can buy ready made gingerbread people in most supermarkets plus icing sugar and other toppings too.

Playdough: You can make your own playdough at home <https://www.bbcgoodfood.com/howto/guide/playdough-recipe> or use ready made playdough to make the people in the story too.

Lolly stick people from the story

You can use lolly sticks plus felt pens to draw the Captain, Jesus and the person who was ill to remind you of the story. If you have some glue, fabric and wool you could add clothes and hair too.
