

## Allsorts craft and activity ideas : Jesus teaches on a mountain

### Junk modelling

You can collect all types of spare empty items such as : kitchen roll inner tubes, cereal boxes, egg boxes and many other things. Pile them up or stick them together with tape to make a mountain. I wonder how high yours will be?

**Make a mountain:** You may have duplo or megabricks at home to build a big mountain too!

**People puppets :** You can make lots of people listening to Jesus out of plastic or wooden spoons. Draw a face, cut it out and use tape to attach to the spoon., or draw directly onto the back of the spoon. You can add wool, cotton wool or tissue for hair and fabric for clothing too.

**Sock puppets:** If you have an old pair of socks, you can stick on eyes, mouth, nose, hair and put them on your hands. One of your puppets or toys can be Jesus and you can put him on the mountain.

Paper chain people are fun to make too!
