

Allsorts craft and activity ideas : Jesus first miracle John 2 v 1-11

Tea party :

You can set up your toys with some role play plates and food and pretend that you are all having a party together!

Perhaps you can make some party hats too

You just need a strip of paper, long enough for your head or your toys heads, secured by tape. Then you can draw and stick on lots of things.

Crafts

Making urns of water into wine

You can use toilet roll/kitchen inners, colour the outside if you want to.

Make sure they stand up .Then stuff the open top with blue tissue paper.

This looks like urns full of water. Then swop the blue tissue for red tissue paper. Now the urns are full of the wine!

OR : You can draw a cup shape and then glue on lots of red tissue paper or other red gift wrap or red crayons to make the cup full of wine.
